

Ariel's Collection

Material's needed:

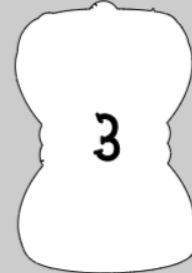

- Print two game boards (There are two options: A. Uses numbers 1-6 and B, uses numbers 2-12).
- Print this page collection items (cut out items).
- 1 or 2 dice depending on the board used.

How to play:

- Each player has their own board and set of collection items.
- Take turns rolling the dice, adding up the total and matching it with the collection item. If using options A board roll one dice and match item.
- If you already rolled that item its the next players turn.
- First player to get all of Ariel's collection on the board wins.
