

Gg

Notes

Materials needed:

- Shaving cream (not gel, I use Barbasol brand)
- Elmers glue
- Blue paint

1. Cut out items on this page.
2. Mix equal parts of shaving cream and elmers glue. Then add blue paint until you get the color consistency you like.
3. Paint genie.
4. Before shaving/ glue mixture dries place all items you cut out onto your genie.
